## EXPERIENCE

### LYFT | GLOW

Software Engineer, Contractor  
April 2023 - Present

Expanded backend tooling to manage Glow devices and shipments. Created automated campaigns to increase Glow access to all US regions. Built tracking capabilities to monitor utilization metrics.

### LYFT | DRIVER XP

Software Engineer, Full-Time  
July 2022 - April 2023

Collaborated with mobile, product, and design teams to build Ride Finder from 0→1. Implemented server-driven UI to provide Lyft drivers more ride choices and dynamically update drivers on matching decisions.

### LYFT | PAYMENTS

Software Engineer, Full-Time  
August 2019 - July 2022

Created workflows for processing membership charges for Lyft Pink. Built data pipelines to ingest and reconcile over \$30M of payment transactions daily. Implemented web views for driver-facing dashboard to display tax forms to 200K+ drivers.

## VOLUNTEERING

### SPEECH & DEBATE COACH

Monta Vista High School  
August 2019 - April 2022

Trained high schoolers in speech writing, public speaking, and storytelling at a top 10 team in CA. Coached the team's first national champion and multiple state finalists.
